ADDITIONAL DOCUMENTS

BA in Architecture

Apart from an online application and submission of required documents listed in the application procedure, scans or photographs (PDF or JPG format) of the following documents/works of art need to be sent to International Relations Office to iro@pk.edu.pl

1. Cover letter (written in English, addressed to Dean of the Faculty of Architecture)
2. Candidate's statement confirming that all works comprising the portfolio have been prepared by the candidate in person.
3. Portfolio consisting of the following elements:
 - 2 freehand drawings of nature in any technique, presenting a composition consisting of elementary solids (such as cube, cylinder, pyramid, cone, prism, cuboid, etc.) or derivatives of such solids - format B2
 - freehand drawing or painting of nature in any technique, presenting any still life - format B2
 - freehand drawings of nature, presenting any existing buildings or architectural structures - format B2
 - freehand drawing of nature in any technique presenting a part of a city (e.g. avenue, street, square, passage, piazza) - format B2
 - photographs devoted to architecture - any format
 - works in any technique (including computer techniques, multimedia techniques, etc.) on any topic - any format

ADDITIONAL DOCUMENTS

BA in Landscape Architecture

The portfolio for the programme Landscape Architecture should be composed of 10 up to 15 drawings of size A2 (5 works) and A3 (from 5 to 10 works) presenting an open landscape, an urban landscape and plants. The portfolio may be complemented by additional art works showcasing the candidate's individual interests, in size A3 at the most, or by photographic documentation of such art works in the size corresponding to size A3.

The mandatory subject matter of the works:

- a leafless tree;
- a tree with foliage;
- a coniferous and a deciduous tree together;
- a sizeable tree in an open hilly landscape, set against a cluster of shrubs;
- a bridge in a landscape;
- a street with trees in a small town;
- a viaduct (a road bridge) in a landscape;
- a housing estate landscape;
- a landscape of the future;
- a historic landscape.

All works are to be hand-drawn. At least half of the works should be done in graphite pencil on white cardboard. The candidates are free to choose the technique for the remaining works. These requirements do not apply to the additional art works referred to above, which may complement the portfolio.
