.....  
(full name of the candidate and passport no.)

graduate of .....  
(name of the university, faculty)

year of completion of first-cycle (Bachelor's/Engineer's) studies: .....

In connection with my application for admission to second-cycle studies at the Faculty of Architecture of the Cracow University of Technology, I hereby declare that the sheets included in this portfolio constitute copies of my engineering diploma thesis submitted for the diploma examination, as well as copies of two course projects completed at the above-mentioned university, which:

- were prepared independently by me as part of course projects and as part of my engineering diploma thesis;
- have not been modified in any way by any method after receiving grades for the course design projects and after obtaining the relevant professional title upon passing the diploma examination; furthermore, no additional sheets created at a later date have been included.
