

Fees for educational services for students of Cracow University of Technology who are not Polish citizens

1. Full-time and part-time 1st and 2nd cycle study programmes **with Polish as the language of instruction** – the **annual** fee in euros:

Faculty	full-time		part-time	
	1st cycle	2nd cycle	1st cycle	2nd cycle
of Architecture	4000	4000	4000	4000
of Civil Engineering	2000	2000	2000	2000
other faculties	2000	2000	2000	2000

2. Full-time and part-time 1st and 2nd cycle study programmes **with a foreign language of instruction** – the **annual** fee in euros:

Faculty	full-time	
	1st cycle	2nd cycle
of Architecture	5000	5000
of Mechanical Engineering	3500	3500
of Civil Engineering	3000	3000
of Environmental Engineering and Energy	-	3300
of Chemical Engineering and Technology	-	5000
of Materials Engineering and Physics	-	3000

3. Full-time study programmes **in part with a foreign language of instruction** – a **semester** fee in euros:

Faculty	full-time	
	1st cycle	2nd cycle
of Architecture	2500	2500
of Chemical Engineering and Technology	-	2500
other faculties	2000	2000

4. Fees in **PLN** for educational services delivered in **full-time study programmes** in relation to **retaking certain courses due to unsatisfactory academic performance, and fees for educational services delivered in full-time study programmes in relation to offering courses not included in the study programme curriculum:**

Faculty	Programme	cost of one teaching hour (PLN)	maximum semester fee (PLN)
of Architecture	Architecture	30	5 400
	Architecture in English	35	6 300
	Landscape Architecture	25	4 500
	Landscape Architecture in English	30	5400
of Computer Science and Telecommunications	Computer Science	1st cycle: 25 2nd cycle: 30	2 600
of Civil Engineering	Civil Engineering in English	32	12 092
of Materials Engineering and Physics	Applied Physics (specialisation: Computer Modelling in English)	2nd cycle: 20	2600
of Environmental Engineering and Energy	Environmental Engineering (specialisation: Environmental and Land Engineering in English)	2nd cycle: 23	2600
of Environmental Engineering and Energy	Energy (specialisation: Energy Systems and Machinery in English)	2nd cycle: 23	2 600
of Mechanical Engineering	Mechanics and Machine Design (specialisation: Advanced Computational Mechanics in English)	1st cycle: 21 2nd cycle: 23	2 600
other programmes		13	2100

5. Fees in **PLN** for educational services delivered in **part-time study programmes** in relation to **retaking certain courses due to unsatisfactory academic performance**:

Faculty	Programme	1st cycle study programmes – cost of one teaching hour (PLN)	2nd cycle study programmes – cost of one teaching hour (PLN)
of Architecture	Architecture	20	20
of Computer Science and Telecommunications	Computer Science	25	30
of Electrical and Computer Engineering	Electrical Engineering and Automatics	21	23
	Computer Science in Computer Engineering	21	-
of Civil Engineering	Civil Engineering	13	15
	Transportation	13	15
of Materials Engineering and Physics	Materials Engineering	13	14
of Environmental Engineering and Energy	Power Engineering	12	23
	Environmental Engineering	15	16
of Mechanical Engineering	Automation and robotics	13	14
	Production Engineering	13	14
	Mechanics and Machine Design	13	14
	Motor Vehicles	13	14
	Transportation Means and Logistics	13	14

6. A foreign national student admitted to a study programme at Cracow University of Technology pays the tuition fee for the first and subsequent semesters of study, as well as fees for issuing documents related to the course of study, to an individual euro-denominated account or a PLN-denominated account specified on the first page of the agreement concluded between the student and Cracow University of Technology. The student may pay these fees by way of online payments by clicking on the *Przelewy24* icon in the *Payments* tab after logging into their account in the *eHMS/dsys* system (*Virtual Dean's Office*). The online payment regulations are available at website:
